#### **Sponsored Swim In Aid Of KAR**

Pictured above are Steve Oram and Diana Gove

Diana Gove and Steve Oram held a sponsored swim in very cold conditions as you can see from the weather photograph attached!

The event that took place on Saturday 19<sup>th</sup> November were not the ideal conditions, as the preceding evening consisted nothing less than thunderstorms and heavy rain, the weather had turned really cold. Nevertheless brave Steve and Diana managed to keep to their task and helped raise money for KAR.

Prevailing weather conditions

Steve & Diana

Diana in action

It was like jumping into ice freezing it took your breath away. I expected it to be cold but not that cold the sea would have been warmer. The rain had stopped by the time we went in sun was in and out, but all of a sudden there was a wind coming up from the sea and hitting our backs before we went in.

Nobody from Haven or Yigor came and the bar was closed so they lost out on some money.

The people that came to support the duo were Keith and Karen, Sue, Steve's better half, John, Sheila, Keith, Jean and Michael McGrail.

They have raised 436 TL so far!

The Chelsey Village Times congratulates them both on not only sticking to the task, but also raising money for such a worthwhile cause!
